Product of Holland

Excellent to make your own guilt free chocolate!

Cacao

This classic cacao powder is highly suitable for making a cup of cocoa, for sprinkling on cappuccino or for use in a wide range of cooking recipes.

Superfoods Raw Organic Cacao Butter

Amazing, highly nutritious product obtained from cold pressing the cocao bean. It has a rich, unique aroma of dark chocolate. Cocoa butter is a healthier alternative to butter, for use in baking, chocolate making and much more!

It is excellent in making raw chocolates and can be combined with cocoa powder or liquor and sweetener to make divine desserts.

Superfoods Raw Organic Cocoa Nibs

Cocoa beans that have been roasted, separated from their husks and broken into smaller pieces. These flavourful little pieces also have great nutritional value and acts as and energy booster and mood elevator!

Great to use as a topping on salad or as a mix-in for baked goods or sweets for added crunch and flavour.

Foodservice Packs

With its special 'soft touch' grip, Comfort Green represents the top-of-the-line segment in piping bags. Comfort Green uses a unique, patented production process. The unique characteristics of the extremely flexible yet firm-grip multi-layer foil ensure that the professional can continue to achieve clean, precise results even after hours of repetitive actions

One Way's Red Hot is specially suited for processing hot and thick fillings. The professional who wishes to work quickly and surely requires a good grip and stable strength.

Red Hot combines these characteristics. Thanks to its distinctive colours that make it stand out amongst One Way's other piping bags.
